EOI No. : BBR/EOI/3422 dated 07.05.12.
Sub : Expression of Interest (EOI) to select firms for manufacturing and supply of components for prefabricated modular steel bridges as per the design of GRSE.

Sealed Expression of Interest (EOI) is invited from firms experienced in fabrication, manufacturing, inspection, testing and supply of prefabricated modular steel bridge/bridge components. For details please visit www.grse.nic.in, www.tenders.gov.com or contact DGM(BB/PM).

A Last date of submission of EOI : 04.06.12 upto 1400 Hrs.
B Date of opening EOI : 04.06.12 at 1400 hrs. in presence of all participating bidders.

Brief version of the subject job for which EOI is invited and selection criteria are furnished below:

1. Garden Reach Shipbuilders & Engineers Ltd. (GRSE) is a leading shipbuilding & engineering company located in eastern part of the country. It is a PSU under administrative control of Ministry of Defence, Govt. of India.
2. In addition to shipbuilding, GRSE is also pioneer in manufacturing & supply of prefabricated modular steel bridges/ suspension Bridges and their components.
3. GRSE has supplied more than 1,000 sets of such bridging system in India as well as to nearby countries in last 30+ years.
4. The Prefabricated modular bridge unit of GRSE is ISO 9001:2008 certified and has very competent technical team including well-equipped design facility.
5. Prerequisites for qualification are as follows:
 - 5.1. Technical pre-requisites:
 - 5.1.1. Experience in work of similar nature (Prefabricated modular steel bridges) for last 3 consecutive years and details of work underway or contractually committed.
 - 5.1.2. Build up manufacturing sheds (in totality) of at least 10,000 sq. ft or with additional storage space of 2,000 sq. ft within periphery of factory.
 - 5.1.3. Availability of lifting/handling equipments such as Hydra, EOT cranes etc.
 - 5.1.4. Engagement of at least one Mechanical Engineer (BE/Diploma) required, qualified/certified welders and qualified structural fitters.
 - 5.1.5. The premises should be owned or with long leased arrangement (ten years or more)
 - 5.1.6. The approach road to the factory premises should be at least 30 feet wide (Clear)
 - 5.1.7. The availability of drilling jigs/assembly fixtures/Load testing facilities/gauges for inspection.
 - 5.1.8. Credentials/copies of work orders from reputed works.
 - 5.2. Commercial pre-requisite (to be submitted):
 - 5.2.1. Constitutional or legal status of the firm.
 - 5.2.2. Place of registry.
 - 5.2.3. Place of business.
 - 5.2.4. Names and address of the contact person of the applicant firm.
 - 5.2.5. Quantity of work executed in the last 3 consecutive years (in lakhs of Rupees).

- 5.2.6. Financial report and audited balance sheet and profit & loss account including audited report for consecutive last 3yrs.
- 5.2.7. Name, addresses, telephone and fax number of the bankers.
- 5.2.8. Copies with certificates of registration for PF, ESI (which will be necessary if manufacturers are interested to work inside GRSE premises).
- 5.2.9. VAT registration No.
- 5.2.10. Service tax registration No.
- 5.2.11. Excise registration No.
- 5.2.12. PAN card No.
- 5.2.13. The average annual turnover of the company for the last **there** consecutive financial years must be not less than Rs.1.50 crores or more.
- 5.2.14. Latest income tax return.
6. The above pre-requisite criteria will be marked/graded with numerical numbers which are as follows:
- 6.1. Technical pre-requisites:
- | 6.1.1. Criteria | Marks/Grade |
|--|--------------------|
| 6.1.1.1. Whether manufacturing facilities are in and around Kolkata/Howrah | 05 |
| 6.1.1.2. Experience in manufacturing components for Prefab Modular Steel bridges | 15 |
| 6.1.1.3. Credentials/copy of POs from reputed works | 05 |
| 6.1.1.4. Build up manufacturing sheds and its area (min. 10,000 sqft) | 10 |
| 6.1.1.5. Availability of lifting/handling equipments | 05 |
| 6.1.1.6. Engagement of at least one BE/Diploma engineer | 05 |
| 6.1.1.7. The premises should be owned/long leased (10 years or more) | 05 |
| 6.1.1.8. The approach road to the factory (min. 30ft) | 05 |
| 6.1.1.9. The availability of assembly fixtures for manufacturing Prefab Modular Steel bridges. | 10 |
| 6.1.1.10. The availability of drilling jigs for Prefab Modular Steel bridges. | <u>05</u> |
| 6.1.1.11. Total Mark/Grade | 70 |
- 6.2. Commercial pre-requisites:
- | 6.2.1. Criteria | Marks/Grade |
|--|--------------------|
| 6.2.1.1. Constitutional or legal status of the firm | 05 |
| 6.2.1.2. Place of registry | 02 |
| 6.2.1.3. Place of business | 05 |
| 6.2.1.4. Name, addresses, telephone | 03 |
| 6.2.1.5. Financial report and audited balance sheet (for last 3 consecutive yrs) | 05 |
| 6.2.1.6. Copies with certificates of registration for PF, ESI, VAT | 02 |
| 6.2.1.7. The average annual turnover for the last there consecutive financial years of the company must not be less than Rs. 1.5 Crores | 05 |
| 6.2.1.8. Latest income tax return | <u>03</u> |
| 6.2.1.9. Total Mark/Grade | 30 |
7. **Methodology of qualification criteria:** Minimum qualification marks will be 75 marks out of the total of 100 Marks/Grade comprising of both technical and commercial pre-requisite criteria. However, the firm/s obtaining the highest marks over and above the qualifying marks will be considered for entering into MOU with GRSE. GRSE reserves the right to enter into MOU with one or more business partners with consecutive grading obtained.
8. Past experience of manufacturing prefabricated modular steel bridge components is desirable.
9. **Mandatory clause:** Manufacturers participated against our EOI no. BBR/EOI/10/2291 dated 21.08.2010 are requested not to participate against this EOI if there is no change in their status of manufacturing infrastructure.
10. GRSE further reserves the right to accept or reject any or all the applications against EOI or stop process of EOI assessment at its own discretion without assigning any reason.
11. GRSE takes no responsibility for any delay/loss of documents or correspondence sent through courier/post.

12. GRSE may undertake visit to the premises/works of the intending business partners in addition to the requisite documentary evidences provided, during the process of evaluating & short listing the intending Business partners/Fabricators/ Manufacturers through MOU route.
13. The decision of GRSE will be final and binding on the bidders.
14. The opening of EOI may be attended by the interested applicants, if they so desire. However, non-attendance to opening of EOI will not be a cause for disqualification.
