Delivery of Yard 2115 (Amrit Kaur)

Today our shipyard celebrates another momentous occasion with the delivery of Yard 2115 (ICGS Amrit Kaur) to the Indian Coast Guard, the 102nd warship built by the GRSE and we march ahead towards achieving next century of excellence in shipbuilding.

I am happy that the ship ICGS Amrit Kaur, a fully GRSE designed and indigenously built warship being delivered within two weeks of delivering her sister ship. I also appreciate the sincere efforts put in by all personnel of the shipyard to deliver this fine ship despite certain challenges faced during the initial phases of construction.

While we have reason to celebrate, let me remind you our next and immediate target of delivering two more FPVs, one P28 and two LCU ships within the current financial year. I am confident that TEAM GRSE would overcome all challenges with similar dedication, devotion and enthusiasm towards achieving the set goal.

My heartiest congratulations to TEAM GRSE on this magnificent feat.

Well done, Shabash

Jai hind.
