## NOTES:

### 1. EDUCATIONAL QUALIFICATION:

- i. For Engineering Degree (BE/B.Tech), Lateral entry to 3rd semester of 8 semester course / 2nd year of 4 years course will also be considered as equivalent qualification). Post Graduate Diploma in Computer Sciences/Software and related fields will not be considered as equivalent qualification
- ii. The qualification mentioned (BE/B.Tech/MCA) would be of full time only. No Part Time/Correspondence course will be accepted.
- iii. Post graduate integrated Degree Courses will also be allowed for engineering disciplines. The integrated Professional qualification should be of 5 years duration after 10+2 qualification.
- iv. AICTE / UGC / Government of India recognized / approved Degree / PG Degree courses in concerned discipline (as referred above) awarded by University / Institution recognized by Govt. of India will only be considered.
- v. **The date of declaration of result / issuance of mark sheet shall be deemed to be the date of acquiring the qualification and there shall be no relaxation on this account.**
- vi. Candidates having Master degree in engineering must possess the minimum qualification prescribed against the post.
- vii. Wherever grades e.g. CGPA/OGPA/DGPA (as applicable) are awarded, the following method will be adopted for conversion to equivalent percentage of marks:
  - a) The conversion of CGPA to percentage of marks would be based on the procedure certified by the University / Institution from where they have obtained the qualifying degree. Documents viz. Mark sheet / Final / Provisional Degree / Letter issued by competent authority of the respective University/Institution will be considered for ascertaining the CGPA to percentage conversion criteria.
  - b) In case the University/Institution does not have any criteria for converting CGPA into equivalent percentage of marks, it has to be categorically mentioned in the Mark sheet / Final / Provisional Degree / Letter issued by competent authority of the respective University/Institution. In such cases, the equivalence would be established by dividing the candidate's CGPA by the maximum possible CGPA and multiplying the result with 100.
