

MESSAGE FROM CMD
77th INDEPENDENCE DAY

I wish each and every member of 'Team GRSE' and their families a very happy Independence Day.

While we proudly celebrate this momentous occasion, we must also remember the sacrifices of those valiant men and women who fought for our Independence.

As a premier Defence PSU, we are an integral part of nation building process and we play a significant role in enhancing the defence preparedness of our country. It is therefore important that we must put in our best efforts to deliver quality warships to our armed forces, on time.

On this special occasion of 77th Independence Day, I complement all personnel of 'Team GRSE' for their dedication, performance and resilience exhibited while meeting the targets set in all spheres of business operations.

Jai Hind.

Cmde PR Hari, IN (Retd)
