

CMD's Message

Dear Friends,

As we observe the Vigilance Awareness Week 2025 with the theme “सतर्कता: हमारी साझा जिम्मेदारी” “**Vigilance: Our Shared Responsibility**”, I am pleased to share this message through our vigilance magazine ‘Sajagata’, which has consistently served as a platform to promote the values of integrity, transparency and ethical governance across our organisation.

Vigilance is not merely a compliance function or the responsibility of a select few. It is a collective endeavour that demands active participation from every member of GRSE family. In today's complex operational environment, when we are building state-of-the-art warships and executing prestigious defence projects, maintaining the highest standards of probity and ethical conduct is paramount to our success and reputation.

At GRSE, we take immense pride in our journey to becoming a globally recognised shipyard with Navratna aspirations. This ambitious vision can only be realised through an organisational culture rooted in integrity, accountability and transparency. Every decision we take, every rupee we spend and every process we follow must reflect our unwavering commitment to these principles.

The magazine ‘Sajagata’ stands as a testament to our commitment to creating greater awareness about the need for ethics in our operations. Through its insightful articles and contributions from our colleagues, it strengthens our collective consciousness. Let us therefore on the eve of Vigilance Awareness Week 2025, renew our pledge that we shall follow the path of righteousness and encourage others to do the same.

जय हिंद! जय जीआरएसई!

Cmdr PR Hari, (IN Retd.)
Chairman & Managing Director
