**CONCURRENT LAUNCHING & DOCKING OF P17A YARD 3023**

P17A Yard 3023 (INS Dunagiri) was launched from DD1 at 1350 hrs on 15 Jul 2022 and was docked immediately in DD2 with the same work force on the same day. This has resulted in significant savings in cost by way of savings in manpower, pilotage, tug hiring charges and facility utilisation.

This feat was achieved despite tide and time limitations within a margin of 30 minutes. This unique feat was possible because of exemplary team work and coordination by Team Main Works.

Well done, Shabash.

Jai Hind.
